Direct

SmartSimple Direct equips lean-staffed grantmaking organizations with a modern, comprehensive grants management system to easily manage low-volume grant programs from start to finish.

Powered by the same platform enabling some of the world's most prominent funders to grant over \$6 billion annually, you'll benefit from the best SmartSimple offers without the complexity.

Set up in only 4 weeks

You'll save time tracking, managing, and reporting on all your key grantmaking tasks – from grantee registration and submissions through to reviews, approvals, and post-award reporting. Best of all, you'll be supported by SmartSimple along every step of the way.

Everything you need to bring your grant programs online and up to speed

SmartSimple Direct differs from other comparable grants management solutions on the market. With no hidden fees and fast, easy setup, you'll gain all of our platform's top-end capabilities that we've built into our enterprise systems – from security to configuration and future scalability.

CRM features to save you time

Simplify how you build and maintain relationships with every contact and organization in your grant cycles for a more efficient way of working.

IRS Integration for less errors

Avoid human errors by having your applicants easily pull their 501(c)(3) organization details directly from the IRS in just a few clicks.

Outstanding, unlimited support

Speak with our technical support team over the phone for the answers you need quickly, 24 hours a day, 5 days a week.

Upgrades & maintenance included

As a cloud-based platform, you get the latest feature enhancements and on-going maintenance without any additional costs or headaches.

"The biggest thing that resonated with me was that you don't have to have a tech background to use and make changes in the system."

Tracie Mooneyham, Program & Grants Manager,
Robins Foundation

"It's so easy for new users to jump in and start using the system. We've heard people say this is the easiest transition to a new system they've ever experienced."

Celeste Orr, IT Resource Coordinator,
Georgia Family Connection Partnership
